

Confirmations at Montréal: 11 May 1668

Transcribed by Gail Moreau-DesHarnais, FCHSM member (gfmoreau1@aol.com)

Transcriber's notes: These confirmations are found on FHL film #1311432, item #14 and also on the indicated PRDH Online certificates. The names are transcribed as found on the film and have not been standardized, as they are on PRDH Online. Names followed by an asterisk [*] are not shown in the *Dictionnaire Jetté [DJ]* as having been confirmed. [Note from Suzanne Sommerville - Jetté may have omitted recording some confirmations because he used these references, sometimes, to establish the first presence of an individual in New France. If a person was documented before the confirmation took place, he used the earlier date.] A double asterisk [**] indicates the name could not be found in *DJ*. Family names in parentheses are as shown in *DJ*. Transcriber's comments are in brackets. If an individual was the ancestor of a person who was in Détroit between 1701 and 1710, that information is also given. References are cited at the end of the lists.
