

Engagé Contracts to Détroit – 5 April 1721 to 22 May 1731 – Part 2
Diane Wolford Sheppard, FCHSM member (bluecolumbine@comcast.net)
Continued from October 2012, 208-211

The following index to *engagé* (hiring) contracts was translated and transcribed from E.Z. Massicotte, “Répertoire des engagements pour l’ouest conservés dans les Archives Judiciaires de Montréal (1670-1778),” *Rapport de L’archiviste de la Province de Québec pour 1929-1930* (Québec: Rédempti Paradis, 1930), pp. 231- 281. Whenever possible, names have been standardized per Jetté.¹ In a few cases I have added a “?” following the name for one of the following reasons: (1) the notary and Massicotte recorded a common *dit* name in the record without recording the surname; (2) the spelling of the surname may be a misreading of the original; (3) the surname does not appear in Jetté. Information added appears in brackets. The name of the notary appears in brackets at the end of the entry. Researchers can order the microfilms for most notaries at your local Family History Center. French summaries of many, but not all, of the contracts included in Massicotte’s reports are summarized in the *Voyageur Contracts Database*, a project compiled by the University of Saskatchewan and the University of Ottawa. See http://shsb.mb.ca/en/Voyageurs_database. See <http://voyageurs.shsb.mb.ca/en/AdvSearch.aspx> for the advanced search form. Researchers can use this database to search for individuals hired for voyages to other locations.
