

**Essex County, Ontario Militia Rolls for the Period 25 July to 24 August 1812**

Diane Wolford Sheppard, FCHSM member ([bluecolumbine@comcast.net](mailto:bluecolumbine@comcast.net))

Introduction: Library and Archives Canada granted permission to transcribe the information contained in the Payroll, Muster Rolls, and Musterly Returns of the Essex County Militia for the period 25 July to 24 August 1812. The rolls are contained on Adjutant-General's Office, Upper Canada fonds/Reel T 10388, Vol. 32, pp. 50-83, 348-355. I transcribed the following information from the payrolls: name, rank, dates of service if recorded, and all comments contained on the roll, spelling out abbreviated comments if it would aid in understanding, and following the capitalization contained in the original. The names were transcribed as closely as possible to the original. Comments such as the standardized spelling of French-Canadian names or the original surname and *dit* name appear in brackets. Many men used only their *dit* names during this period; in some cases, I could not determine their original surname because the *dit* name was used by too many families to identify them.<sup>1</sup> The names of French Canadians or those of French-Canadian descent appear in bold face-type. The names of those with possible French-Canadians have brackets after their name with the designation [possibly French Canadian, but they do not appear in standard sources]. I have not made any efforts to standardize the spelling of those who were not French Canadian. I have used question marks to designate illegible words or phrases, or a question regarding the spelling or standardization of a name.

During the period covered by the Militia Rolls, 25 July to 24 August 1812, American General William Hull and most members of his army returned to Detroit on 7 August 1812 after he learned that British General Isaac Brock was *en route* to Amherstburg with reinforcements. On 11 August, Hull ordered the remainder of his troops to abandon Fort Gowrie/Gowris in Sandwich. On 16 August 1812, Hull surrendered the fort and the Territory of Michigan to Great Britain.

<sup>2</sup> British-Indian Department interpreter, Simon Girty, married Catherine Mallott, who had been captured with her mother, Sarah, her brother, Peter, and other members of her family by the Delaware. Sarah Mallot and Peter Mallott eventually settled on Grosse Ile, which William Macomb had purchased from the Potawatomi. Peter Mallott married Mary (Polly) Jones and had two sons, Joseph, and Peter Girty. Peter Mallott made several requests to the British Land Department for lots in Gosfield Township. In 1792, he was granted lot 4 in the township. It's possible that the Joseph Malotte named in the militia roll was Peter Mallott and Mary (Polly) Jones' son, Joseph. See Phillip W. Hoffman, *Simon Girty Turncoat Hero* (Franklin, Tennessee: Flying Camp Press: 2009), 390-392.
